

As of June 14th, in accordance with the CDC guidelines and the JCC medical committee:

1. If people are FULLY VACCINATED (2 weeks post their last required shot) and they choose to provide proof of vaccination, they will not have to wear masks on campus.
2. If people do not want to provide the documentation/proof of vaccination, they are not required to do so, however they must remain masked while on campus.
3. The first time you come to campus, you must check in at the welcome center desk to show proof of your fully vaccinated status. This will be noted in your account, and you won't have to show your vaccination card every time you come to campus after.
4. All staff will be required to wear masks while working with children (ECLC, Enrichment, and Camp). It is expected that the mask requirement will be revisited by the CDC between now and the fall for school children.
5. At this time, campers are still required to wear masks outside. The CDC is meeting with the American Camp Association regularly and should their recommendations change, we will follow their guidance.
6. In order to protect our most vulnerable population (children who can't be vaccinated), masks are still required in the parking lot during pick up and drop off.
7. When in the vicinity of children, **MASK MUST BE WORN** by ALL persons regardless of vaccination status within the JCC & Federation campus.
8. The locker rooms will re-open on June 14. Fully vaccinated people, who have opted in to our no mask program, do not have to wear masks while others do.

PLEASE NOTE...

Fitness Center

We will no longer be requiring Fitness center reservations. Our max capacity (including staff) will be 12 people at a time in the Fitness Center and 4 people in the Group Exercise Room. If the fitness center is at capacity when you arrive, you may be asked to wait. Like many other fitness and retail locations we want to make sure everyone is safe and limiting the amount of people in the fitness center at once helps us towards that goal.

Group Exercise Classes

Get ready for some new and exciting Group Exercise Classes. We will be introducing new Group exercise class starting this month and adding more classes each month over the summer. Please come prepared with your own fitness mat if the class requires one and a towel. We will indicate in the schedule all classes that are geared for seniors. Please be cognizant of all participants as people are at all different fitness levels. Choose a class that fits your needs. Group Exercise classes will be at a capacity of twelve people per class.

Other policies in effect for the Fitness Center, Group Exercise Classes and Basketball include:

Social Distancing - We will continue to having people stay a safe 6 feet away

- From each other while working out
- Please continue to help us keep the fitness center clean by wiping down all equipment you use once you have finished with your workout. Please make sure to wipe down after you move from one piece of equipment to another.

Deep Cleaning Schedule

- On the weekdays, we will be closing the fitness center at 11:30am and 4:30pm. The Group Exercise room (free weights) will be closed at 12:00pm and 5:00pm.
- On the weekends, we will be closing the fitness center at 11:30am and 2:30pm. The Group Exercise room (free weights) will be closed at 12:00pm and 3:00pm.
